

FSC Termination/Dissolution Instructions

For current **FSC clients of Export Assist**:

1. Review the Termination/Dissolution by Jurisdiction information and select the method you wish Export Assist to utilize in closing your FSC (only the USVI permits you to choose either one). Please note the fee associated with your selection.
2. Complete a FSC Termination/Dissolution Request letter on your own letterhead (Sample Letter A attached). This letter must be signed by a current officer of the FSC.
3. Complete a FSC Bank Account Closure letter on your own letterhead (Sample Letter B attached – applies only to FSCs that maintain a foreign bank account). This letter must be signed by a current account signatory.
4. Complete an Authorization for Disposition of Records form (attached) for your relevant jurisdiction indicating your disposition selection. This form must be signed by a current officer of the FSC.

Upon completion of the above letter(s) and form, please forward these documents with your check in the amount of \$950.00 (or \$2,250 for USVI dissolution) to:

**Export Assist, Inc.
44 Montgomery Street, Suite 4050
San Francisco, CA 94104**

Depending upon your jurisdiction, please make the check payable to:

USVI	Export Assist Virgin Islands Inc. <i>or</i> Export Assist International Services Corp.
Barbados	Export Assist (Barbados), Ltd.
Bermuda	Export Assist (Bermuda), Ltd.

Upon receipt of this information and payment, we will draw up the necessary documents and forward them to you for signature. In addition, for USVI FSCs, we will also supply you with your franchise tax form and applicable wage credit, as these taxes must be paid concurrently with your termination. Lastly, we will forward your bank closure request (if applicable) to the appropriate institution and will assist you in the follow up process to ensure that the account is closed and confirmation has been received. Upon your return of the executed documents, we will file your tax return and termination/dissolution paperwork with the local government agency and obtain a confirmed termination/dissolution date.

Please be advised that your account with Export Assist must be in good standing in order to begin this process. Should you have any questions regarding your standing, please refer to your most recent statement or call 1-800-894-8366. Requests for termination/dissolution that do not include the applicable fee for the requested service will not be processed until payment has been received.

Termination/Dissolution Information by Jurisdiction

Upon receipt of a properly executed request for FSC termination/dissolution and applicable payment, Export Assist will create and deliver appropriate articles and other legal documents for the FSC officer to sign. Upon receipt of the executed documents in the foreign office, Export Assist will file the documents and necessary forms with the local government agency and complete the termination process. *No termination or dissolution may be completed in any jurisdiction unless the original share certificate(s) is returned for cancellation and any foreign bank account is fully emptied of funds and closed.* Furthermore, the FSC officer(s) must confirm in writing that the FSC has no assets or liabilities. This cannot be accomplished unless the FSC is in good standing with its particular management company and the local government.

ST. THOMAS, USVI (two options)

Termination - \$950.00 Includes all legal documents fees and filings. The termination is effective as of the date specified in the Articles. Termination will not be allowed without the FSC paying the entire USVI franchise tax due. Even though a certificate is issued acknowledging the filing of the amended articles by the Lt. Governor's office, the corporation continues for three years after the effective date of termination for purposes of disposing of property, prosecuting and defending legal actions, etc. but not for its regular business. Since the FSC is required to terminate with NO assets or liabilities, the occurrence of future legal actions may not be likely; however, the company does have the ability to be restored or revived at any time with no limit. This is the easiest, most popular and expeditious method used in the USVI.

Dissolution - \$2,250.00 Includes all legal documents, fees and filings. In this procedure, a consent of the shareholders which certifies that they wish to dissolve the FSC and a tax clearance letter (franchise tax must be paid in full) are filed with the office of the Lt. Governor along with copies of minutes of a shareholders' and a directors' meeting which approve the dissolution. A certification of dissolution is issued which must then be published in a U.S. Virgin Islands newspaper for four consecutive weeks. After this, an affidavit of the publication must be filed with the Lt. Governor's office. The company is deemed to exist for a minimum of three years after this time for the purposes of disposing of property, prosecuting or defending lawsuits, etc. but not for purposes of carrying on its regular business. The dissolution can be revoked only during the initial three-year period. This method is more costly and time consuming and requires additional services from our local attorney.

Remember to complete, sign and forward to Export Assist the Authorization for Distribution of USVI Records form for disposition of your FSC's financial records (i.e., store, ship or shred).

BARBADOS

Dissolution - \$950.00 Includes all legal documents, fees and filings. In Barbados, new articles will be drafted and the FSC officer will execute these and an intent to dissolve. Export Assist will serve notice of this intent to the Registrar of Companies along with the filing of executed articles. Dissolution is final in Barbados, but the company can be revived if necessary for a lawsuit or other legal proceeding. As a reminder, the FSC bank account must be fully emptied and closed with the financial institution prior to dissolution. Furthermore, the share certificate(s) must be returned to the foreign office for cancellation prior to finalizing the dissolution.

In Barbados, the local law requires the storage of the FSC's financial records for six years on island. Export Assist will facilitate this process and contract with the client to comply with this regulation.

BERMUDA

Dissolution - \$950.00 Includes all legal documents, fees and filings. Similar to Barbados, Bermuda requires new articles, a properly executed statement that the FSC has no assets or liabilities and written notice to the Registrar of Companies that the FSC wishes to dissolve. Once the outstanding share certificate(s) is returned and cancelled and the bank account closed, Export Assist will file with the Registrar who will strike the company off the Bermuda rolls.

Remember to complete, sign and forward to Export Assist the Authorization for Distribution of Records for disposition of your FSC's financial records (i.e., store, ship or shred).
